

GAYLE HURMUSES

RESUME

OBJECTIVES:

- To apply my excellent communication skills and creative expertise in a broad range of media to the position of graphic/interactive design professor/applications trainer

EXPERIENCE:

1998- 2002 HUMBER COLLEGE, CENTENNIAL COLLEGE, INTERNATIONAL ACADEMY OF DESIGN - DESIGN PROFESSOR

- Taught courses in the following areas of theory: Graphic, Interface and Motion Design, Interface Design, and Studio Practices, using a variety of computer applications including: Photoshop, Illustrator and Director.
- Developed the curriculum stressing functionality, aesthetics and attention to detail, leading students in creating print and interactive projects of a professional calibre.
- Wrote, designed and illustrated most instructional material for my courses
- Programmed very well attended speakers series bringing in many prominent media artists and industry leaders.
- Advised students on the development and design of external web projects.

1986- 2002 PHOTOGRAPHIC WORK - ARTIST, PRODUCER, PUBLICIST

- Bruce Cockburn: Commissioned by *True North Records* to document the recording sessions for the album *Breakfast in New Orleans - Dinner in Timbuktu* to mark Cockburn's 30th year as a recording artist.
- Bob Snider: Commissioned by *EMI Records* to document recording sessions for Words and Pictures, released with a six page photo booklet. <http://www.hurmuses.com/wordsindex.html>
